“ *While I never met Bert, she was a dear friend of my ailing mother, Donna (Henkenius) McGrath. My mother worked for Bert's late husband in the 1950s. As part of her work, she learned to love the AFL-CIO and has been an ardent supporter of working people as a result. Donna kept up with Bert through the years. We hope to see you at the viewing. God's peace to Bert and her family.*
