“ *Just wanted you and your family to know how much I enjoyed getting to know your folks after they moved to Elk Ridge. They were such a neat couple! I think of my friends at Elk Ridge often and that includes those that are looking down from Heaven, too. I have many pictures of them and someday will have to get them printed off and in a book. God Bless, Judy Southwick*

“ *I have such great memories of Rollie when he was at Elk Ridge! He loved having coffee by the fireplace & visiting anyone going by! I was blessed to have known him & Dorothy during my time at Elk Ridge! God Bless...*
