“ Lynn, I was so sad to hear that Ron had passed. I loved seeing him at therapy and wherever else I would find him in Yutan. He always made me laugh, made me turn red by embarrassing me and then usually made me mad by something offensive he would say. But that's what I loved about him! He wasn't afraid to stand for the truth and for what was right--something I respected in him greatly. I know you and your family will miss him terribly, please know that there are lots of others that will miss him too. Take care and hugs to y'all from Texas.
