“ *My condolences to the family. I was wandering down memory lane and looking up people I once knew. I worked for Ron in the late 80's. I particular like the obituary description of him as both kind and ornery. He was an interesting man to work for.*

“ Carolyn and family,

I was so saddened to hear about Ron passing away. We have known Ron and the family for many years, and have watched his family grow. I enjoyed the years that I worked for Ron. He was a nice person to work for and I enjoyed being with the company. I will always have the memories of him and the family and all the special occasions we attended. You and the family will be in our thoughts and prayers during this difficult time. We wish you strength during this time of sadness.
