“ *Ron was such a thoughtful, happy person. One of the greatest neighbors in our community. With his illness, we didn't get to talk to him much in his later months. We were devastated to hear of his passing. RIP Ron. We will always think of you and miss you! Prayers for Colette in this difficult time. Love Mickey and Doug Craddock, Orlando, FL.*

“ *Colette and family,  
I worked with Ron in the early 1980's at UPS in the Customer Service department. When you moved to Omaha from N Platte, you left a camper with a friend in N Platte. My family picked up the camper and used it in the Black Hills for vacation, then brought it back to Ron and you. Good Memories. Ron was a good guy. My condolences. I am sorry, we will not be able to attend the services as we are leaving early Saturday for Christmas with our children, out of town. Dick and Anne Audas*

“ *Your fiery spirit will be missed. I still can see you getting so excited when you planned surprise parties for Colette. You mellowed so much over the years! I always knew if I needed a friend to rely on you would be their. Ron thank you for your determination to live, your spirit to be better at whatever you were involved in, and your caring heart for Colette. Love you*
