“ *Hello Eidam Family - I am so very sorry for the loss of your mother, Rose. She was a terrific lady. Both your parents were very important during my education at Wilcox Public Schools. Mrs. Eidam was my 3rd grade teacher, and Mr. Eidam was my Guidance Counselor. Your mom loved learning, and was able to share her enthusiasm with her students. I especially remember her using her love for traveling throughout her lessons. As I got older, your father always had a joke to share everyday. He took great pride in helping his students determine their future plans. When I was 13 years old, I cleaned your parents house each Friday for five dollars. It was a great way for me to have money for the Friday night ballgames. I truly have fond memories of your parents. Our community and school missed them when they retired. They were very proud of their family. Please know that I will be praying for you during this difficult time. I hope your memories of your parents are able to bring some peace to your hearts. Sincerely, Stacie (Woollen) Pistulka*

“*Rose was a Faithful Friend. We had no scales to measure excellence, just acceptance.*

She had many loves, the love for her husband, and for her son, Bill and wife Deb, and the grand-ones. She loved teaching, her students, her reading, the flowers that she grew and the garden that she planted.

Rose sowed the seeds of "friendship" and her garden bloomed. Her life's companion was called home too soon, and Rose had to tend the gardens of life alone.

We share more memories than we can count. From being students, becoming friends, enjoying fishing and camping together and cooking and eating together. We were honored to be confidants and supporters.

We shared more joys than sorrows and we will always remember the values that we were taught, the principal of honesty, and we miss the long long talks and the stories that were never ending.

Our Deep and Sincere Sympathy to Bill, Deb and children,

Alan & Sharon Ann

“*Billy and Family,*

Sorry to hear of your mother's passing. We knew her from many years ago at SEHS. We graduated in the Classes of 1958 and 1960. Had your Dad for a teacher for a few years and he was the greatest! We are also the grandparents of Josh and Stephanie Lyons which you taught both of them in Middle School if I remember right. You have our deepest sympathy at this difficult time and will remember you and your family in our thoughts and prayers.
