“ *I taught at Waterloo with your mom many years. We elementary teachers became good friends, sharing stories about our families as you kids grew and became adults. Rosie so loved her grandsons. We Red Hat ladies were together the night her great grandchild was born. She will be missed by many. You have my deepest sympathy.*

“ *I am sad to hear about Mrs. Kibbie's passing. I was one of many children fortunate to have had her as a teacher. I was always in awe of her neat handwriting when I was in Kindergarten and was convinced that if she would let me use her pencil I would be able to write just as neatly as her. Mrs. Kibbie was a fantastic teacher who touched many lives.*
