Rosendo Robles

February 21, 1969 – December 6, 2024

It is with heavy hearts that we announce the passing of Rosendo Robles, who left us on December 6, 2024, at the age of 55. Rosendo lost his life in tragic accident, that also claimed the life of his Father, Eusebio Robles. Born in Ciudad Juárez, Chihuahua, Rosendo later made his home in Omaha, Nebraska, where he built a life full of love, hard work, and dedication to his family.

Through perseverance and sacrifice, Rosendo founded Robles Trucking, a business he built from the ground up. Despite not being born into wealth, he achieved success not only as a businessman but also as a father, instilling the values of hard work, determination, and resilience in his four children, who have followed his example in creating their own paths to success.

Rosendo was a man of many passions. He loved riding his Harley Davidson, and his love for music and dancing brought joy to everyone around him. His spirit and energy will be remembered by all who knew him.

While wealth and material possessions may be left behind, the legacy Rosendo built—of hard work, family, and love—will continue to guide his loved

ones for generations. His wisdom, strength, and determination have left an indelible mark on those fortunate enough to know him.

As a son, Rosendo loved his parents deeply and provided for them until his last days. As a father, Rosendo often said, "échale ganas," or "siempre pa delante" urging his children to give their best in everything they did and always keep going. His legacy is one his children and grandchildren will carry forward, and though their hearts are heavy with his loss, they will honor him by continuing to live the values he taught them.

Rosendo leaves behind his beloved mother, Carmen, loving wife, Olga, and their children: Esmeralda, Rosendo Jr., Carmen, and Carlos. He was also the proud grandfather of Alexandra, Carlos, Avery, Arianna, Eva, Lily, Kailani, Melanie, Rosendo III, Sofia, and Adrian. He is also survived by his siblings, Eusebio, Raul, Lorena, and Adrian.

“Dad you will forever live through us, and we will miss you every day until we are reunited. Rest in peace, Dad.”

In Lieu of Flowers, Memorials are suggested to the family for later designation.

“ This is a shock to me! I have known Rosendo for over 20 years, i first met him working at Negus and Son's construction as he just got his first dump trucks and i got to know him then. I tried to help him as much as i could, we became good friends, every time i seen him he made me happy just to be around him. This makes me so sad that i missed my friends funeral because i needed to be there for him! He was a good friend and i will miss him so much! All of you are so lucky to have him in your family and being his friend! This makes me so sad! Good by my good and dear friend!!!! RIP!!!! Alan Chard!

“ *To the Robles family, My deepest condolences to you all for your loss. I unfortunately never had the pleasure of meeting Mr. Rosendo, but I've heard nothing but wonderful things about him. How he loved to sing and dance and just loved life. My heart truly goes out to you. I know the pain of losing a Dad and it's inconsolable. But when I lost mine, lil'Sis Esme was there for me and my family and to know she's now the one with this pain really breaks my heart for her. May you find comfort in the support of friends and family and may faith uphold you all during this difficult time. My thoughts and prayers are with you all. Love and Gold Bless, Danny, Gee, and Taevon*

“ Mi más sentido pésame. Les deseo de todo corazón que Dios les bendiga con mucha fuerza y fortaleza para poder pasar estos momentos tan difíciles. Espero que Dios lo tenga en su Gloria y aunque pueda ser que el mundo perdió una persona especial, el cielo se ganó un ángel que se que siempre cuidará de toda su familia igual como lo hacía acá en la tierra. Les mando muchos abrazos y fuerzas. Que Diosito los bendiga siempre.

“ I write this with great sadness,heartache, disbelief and sympathy of my dear close cousin Rosendo, who was more like a brother to me. On behalf of our family, McFaddens, we send our most sincere condolences, prayers, love and support to the family. Rosendo was a hard-working man, a go-getter and most of all he had a loving heart. Family was most important to him, from his family in Nebraska to TX, AZ and Juarez. He always made sure to visit as many relatives as he could when travelling out of state. That was crucial!
I will always remember his famous words, "Echale ganas prima", meaning give it a try/give it your all and I will forever miss our long conversations and laughter. We will miss you greatly today and always. Rosendo may you RIP with your dad and be surrounded by the Heavenly angels. God be with us!
With much love,
