“ Hi! Dad, I didn't even know you were here in this memory book!! I really do miss you, you were a great, soothing support for me. I KNEW I could always count on my "Dad" - I took you so much for granted..... I still hear your voice in a lot of the circumstances I am involved with - I still don't heed your advice as I should have!!! Rest in peace with Mom and, now, Jim.... Until we meet again. Your "youngest" irresponsible, hard headed child - Sherrie!! PS - hard to admit your WERE right most of the time...God knows I LOVE you.
