Chris and family*

We are so sorry to hear about Rusty. We have fond memories of times we all spent together years and years ago when Russ used to work for us. We are so sorry that we will not be able to attend the memorial, but Jenna has an appointment with a specialist in Omaha on that day that we have waited months for. You all are in our thoughts and prayers! May the memories you have of time spent together with him hold you in this time of sorrow.
