“ *Please accept our sympathy in your loss. Regardless of the age, it is difficult to lose someone who has created so many memories in the lives of many. “ I only started spending time with Ruth the last few months of her life. But just in that short amount of time I got a strong impression of how much she loved her family. Many times she would say the names of her four daughters over and over. One time when I came in I said their four names aloud, and her face seemed to light up. She also seemed to love me playing music for her. She told me she had been in a band when she was younger and she had also liked to sing. From time to time, she tried to sing or humm along with the music. I only wish I had been able to get to know Ruth earlier in life. She seemed like a very kind lady. I would like to send many hugs and loving thoughts to her entire family...May God's comfort and love surround and fill you all during this very painful time. Until you all meet each other again in heaven.

“ I am saddened to read of Ruth's passing. We were good friends back in Havelock Methodist Days. Of course, I remember you four girls growing up about the same ages as my three daughters. I'm sorry we lost touch these years. My wish is for comfort and peace for all of your family from Clarice Orr.

“ What a loss of a gentle, happy soul. Ruth was such a truly nice
person and a privilege to call my Aunt. I hope she finds a good
swimming pool in heaven to keep up her workouts. Share our love.
