“ *I worked with Sally for many years at northwest bell, qwest, us west, CenturyLink. Sally was very task oriented but would find time to greet and be friendly with her coworkers. She will be missed by all who knew her. Please accept my sincere sympathies.*

“ Gary, Shane and the rest of Sally's family and friends,

My deepest condolences to you on Sally's passing. She was such a wonderful woman and I'm very thankful that I got to be a small part of her life for the last several years. Her strength and her cheery attitude always inspired me and I will cherish the little time I got to be of service to her.

I pray that you are comforted by the peace and presence of God during this difficult time.

“ *Sally was my best friend in grade school, high school and beyond. She was my Maid of Honor at my wedding. We lost contact when I moved away. We always had so much fun together - laughed and laughed. Always had adventures. I do remember how she loved ice cream and it didn't matter if we were late for something, she always had to take time to have some ice cream "to cool my stomach". I am so sorry to hear of her passing and will ALWAYS remember the good times we had together.*
