“ *I enjoyed spending time with Sandy when we were young. Since she lived a couple of blocks from our house, I spent a lot of time at her house. We spent many afternoons hanging out in her PURPLE room listening to records. We had so much fun together. Although I have not seen Sandy for a number of years, she will be missed. Our thoughts and prayers are with you during this difficult time.*  
*Sincerely,*

“ Scott, Robbie, Chase and family, My heart aches along side yours, the tears fall at random thoughts of her. But I feel better when I remember her infectious smile, positive light and take charge personality. As I've said many times during this journey with you, I'm so sorry for your loss and will be here for you all.
