“ Dearest Sandy,
You have been called home by the Lord to His Heavenly Kingdom.
Jane and I know you will reside by His side in good health and
happiness for Eternity.

On a personal note, I've had the supreme privilege of knowing you
as a classmate and dear friend for over 50 years. As a classmate,
you were totally responsible, caring, and nurturing, always putting
your classmates' needs ahead of your own. As a friend, you were
absolutely 100% loyal and loving. The definition of what a friend is,
and should be, would be two words "Sandy Coakley".

Some of our fondest memories would be the trips you and Larry
made to visit myself and family in California. Those memories will
live in our hearts as you will in Heaven forever.

Love Always,
