Memorials to Special Olympics, Nebraska

Scott Joseph Buscher was born to Chuck and Marty Buscher on July 17th, 1970 and was the third child, following older sisters Kris and Pam. Known as the family "Sunshine" Scott spent most of his childhood growing up on Ginger Cove in Valley, Nebraska where he enjoyed water skiing and anything that involved being out on the lake. "Small town" life in Valley was something he always held dear to his heart and he remained close friends with many of his classmates even as an adult. He excelled as an athlete and student at Valley High School, and took enormous pride in being a Terrier. He later met his loving wife of 29 years, Jenni Andersen Buscher of Elkhorn, and they married on February 16, 1991 at Bethany Lutheran Church in Elkhorn and he was a devoted and loving husband for all the days of his life. Scott then graduated in May of 1992 with a Bachelor's degree in Business from the University of Nebraska-Lincoln. He and Jenni went on to have five children; Kelsey, Kyle, Taylor, Ryan, and Peyton and a lovable black lab named Samson and they resided in Omaha. Scott was a dedicated family man, and with much of his immediate family remaining in close proximity he loved spending time with

everyone as often as he could. Much of his adulthood was spent driving between sporting events and practices for his children and he dedicated much of his time coaching various sports teams, which he thoroughly enjoyed. Sports were a driving force in his life, and the entire Buscher household, and he loved cheering on the Creighton basketball, Nebraska football, and Nebraska volleyball teams along with the teams of all of his kids. Over the past few years he became a Grandpa to his grandsons Aiden and Grayson, whom he adored and spoiled as only a grandparent could.

Scott worked at Republic National Distributing Company for over 20 years and developed great friendships with many of his colleagues and customers. He held these relationships very dear to his heart and loved developing personal connections with them outside of work as well.

Scott can most be remembered for being a genuine and caring man who was always willing to lend a hand to anyone that needed it. He was kind to everyone he met and treated everyone the same, no matter who they were. He was a strong man of God who never wavered in his faith, even in times of adversity. He lived a life to be proud of and one that was admired by everyone around him. Scott was called home to be with God on May 7th 2020 after a two week long battle following a devastating stroke. Those that knew him will miss him terribly, but we know that he was carried straight to heaven to fulfill his eternal life with Christ.

“ *My condolences to Chuck and Marty and Scott's immediate family. I have some fond memories of fishing with Scott when we were kids out at Ginger Cove. I lost touch after those days but appears the great person Scott was back then continued on as a family man and good business man. Rest in peace Scott.*

“ *My condolences go out to all of Scott's family. I really enjoyed working with Scott for several years. He was always fair and professional. I'll miss picking up the phone to catch up with him. Great guy, he will be missed.*

“ *I had the pleasure of working with Scott a few years ago in a former position. I never stopped asking about how we was doing to the person who took my place because he treated me like a friend and not a business associate. He had a gift for caring and connecting with people. I can only strive to hope to match it. My heart, prayers and sympathy go out to his wonderful family.*

“ *Buscher family... it is with the deepest sorrow and utmost condolences that I send this to you. I cannot express my gratitude enough for having the honor and privilege of working under Scott- your husband, brother, father and grandfather. He taught me so much about this industry- not only from the business side, but also the ethics, the balance of work and family, and the absolute love of the industry, the brands, the colleagues, relationships and bonds built within. I don't know if I can say I've ever met a co-worker that I respected as much because of his integrity, honesty, morals, his willingness and attentiveness and genuine care of others. And with that, he became more than a colleague... he became a friend. I enjoyed all of the time together- from the times at Big Mac to Lynchburg, Louisville and tailgates in Lincoln. He will be dearly missed. But take what solace you can in the understanding of all the lives Scott touched and the positive impact he made for us all. Peace be with you all! Love ya Scotty!*

“ Jenny, it is with the deepest sympathy's I send this to you and your entire family. Scott was a great friend and colleague. “ *Buscher Family, my deepest condolences are with you all. I hold Scott in a special place in my heart, he was one of the most moral, ethical and caring persons I have ever had the opportunity to know and be associated with, when ever I saw him he would always acknowledge me with a big smile or grin and say "what's up Leck", he sincerely cared and wanted to talk. Whether it was work, sports or family conversations (Scott was a devoted family man), he always shared his heartfelt perspectives and stories, I will definitely miss these conversations very much. I was blessed to know Scott Buscher and am a better person for it, Gods peace and blessings to the Buscher Family!!*

Sincerely,

“ Cheryl and I wish to extend our deepest sympathies to the entire family. Scott was truly a great guy, and all-around fantastic "sports" parent. He was always willing to jump in and help me at practices/games, and if he disagreed with my bone-headed coaching he could always find a way to share his opinion in a helpful way. Coaching Peyton was a joy, not only because of the person/player he is, but because it was very clear he has great parents in Scott and Jenni.

So happy to have met him. Wish we could've spent more time together.

May God bless you all.

“ I will remember Scott as a nice and fun guy who raised a beautiful family. Without words it is obvious what a strong husband, father, son, brother, uncle and friend he was to those who were fortunate to know him well. Obviously he wore many hats and was a big influence on many lives. We are blessed to have met him and his family through Kris and have shared some memorable family gatherings. Kevin always remembers and gets a kick out of his commentary right before Kris & Marty's wedding;) We are saddened that it is his time to go and you all have to endure this loss and grief. May he rest in peace and may memories keep smiles on your faces. Love and hugs from the Herrmann's.

“ It is hard to imagine a better dad, husband, son, neighbor, grandpa or friend than Scott. I got to see him in every one of these capacities. Scott was an inspiration and role model and I am humbled and proud to say that I knew him. It was an honor. He made me a better person.

I did not know Scott personally, but I'm good friends with his sister Kris. Kris only had wonderful things to say about her baby brother. She loved him deeply. Scott will be forever missed. Prayers and hugs to all who love him.

“ I have so many wonderful memories of Scott, too numerous to mention. My family moved to Valley in 1980, 4 houses down from the Buschers. Scott and I soon became best friends, and the Buschers became like a second family to me. Scott and I and his black lab Shane were inseparable. Shane would shag tennis balls for us for hours while we played baseball. We played football and basketball for hours, occasionally taking a little break for some epic Atari football battles or to go for a swim. When Shane chased a ball onto the ice and went through one day, Scott ran onto the ice and into the water to save him without even hesitating. That's how Scott was with all of his friends, and Scott was friends with everyone. I can't recall Scott ever saying a bad word or doing a bad thing to anyone. He was a great person and I feel incredibly lucky that I was able to call him a friend. Scott was also one of the hardest workers I've ever met, he monopolized the lawn mowing market at ginger cove at an early age. By the time he was 16, he was able to buy himself a brand new car with the money he had earned, and still had plenty left over for fun and games with his many friends. I can't thank Scott enough for all the wonderful memories that he has given me and so many others. I love you Scott like a brother and I can't wait to see you again on the other side.
