“ *Dear Forman family,*

I was so sorry to hear of Scott's passing. I was just informed today and I missed the funeral services on Tuesday. Scott was an excellent IT professional and such a nice person and family man. My father died at age 36 and my son died unexpectedly at age 26. If my wife and I can be of any help in any way please contact us at the email address above.

May God bless and keep you,

Bing

“ *Dear Sara & children,*

*My condolences to all of you along with thoughts and prayers from I
and all of Scott's associates in Western Nebraska! I was so
saddened to hear today of the passing of your loving husband and
father. I did not know Scott outside of his profession, but I
considered Scott a working friend and please know how much
respect I and many have for what he accomplished in his too short
of time here with us. He literally was one of the most intelligent and
talented men I have had the pleasure of working with. He had an
exceptional mind and will be missed by myself and many. Sincerely,
Corey Brockway, Region II Human Services*
