“ I've known Scott since the mid 80's and consider him one of my all time best friends. Scott loved to cook for his buddies and I think he even cleaned up most of the time too! I remember one time when your parents were gone and we took out the one ton Ford (BIG RED) and nearly hit a few parked cars in the process. Wonder if Joe ever found out?

God called you home and I know you are hanging out with your big brother in Heaven. We shall meet again buddy. Rest in peace.

“ I worked with Scott from 2014-2016 and have remained friends since. This is such a shock to me. I just talked to him the week before he passed. I had a couple photos of Scott from those days on my phone. He'll be missed for sure. Clint Hofmeister.

“ My brother Scott told me of Scott’s passing last week. I can’t imagine the pain you must be feeling at this time. Sending our love and prayers to Scott’s family and friends. I have nothing but wonderful memories of Scott- he was such a dear friend to my brother. I found these pictures in an album of mine from a trip he took to Colorado to visit us! Back in 1995! Sending our love- Paula (Dykema) Frisina

Scott and his 'same age' Lollamann cousins - we were all born in the same year - L to r -Dan McCarthy, Matt Lollamann, Debbie (McCarthy) Catellier, and Scott.

Lots of amazing and fun memories of the four of us running around on Uncle Tom's farm in Nebraska City, NE every summer growing up. You will be missed Scott - we love you! Prayers and love to the Lollmann Family.

“ Scott was such a caring individual. When Shane graduated from UNO he came and fixed all the food so we go to the Graduation and we could have a party afterward! Life was way too short, Gary & Ardis McDonald

“ I was so saddened to hear the news of "Skippy's" passing. My memories are too numerous to list. Though we attended the same high school, we didn't meet until working at Pizza Hut. My dear friend, Skippy, was always full of energy & finding ways to make me laugh. He made the best "Skippy Sandwich" from pizza ingredients (on the large loaves of bread that were supposed to be used for making garlic bread). We had so many silly inside jokes that, when I think about them, still make me smile. We hung out on some weekends & he even taught me how to drive a stick (manual transmission) in his car. I moved out-of-state so we drifted apart, but came back to reconnect every 15 years or so. Skippy will forever hold a special place in my heart. **This photo was from our Pizza Hut days. He hopped up in the dough mixer to give me a funny picture. It's still my favorite one from the crew.**
