

## Seqhoya Rayne Haynes

August 22, 2010 - August 8, 2014

Such a short life, such an accomplishment.

Seqhoya was full of life,  
loved to laugh and play.

She never met any bad people,  
everyone she saw deserved a grin.

Her favorite things included:  
bubbles, playing with her brother, Malychai, going to the park and  
dressing up like a princess with cousins Emmanet and Mahkenzy.

Seqhoya has made as impact on every person that has ever  
met her and many more that didn't know her.

Seqhoya showed strength, courage and love beyond human ability.

Please allow her examples to bring peace to all of us that remain.
