

Seth Edward Peterson

April 2, 1978 - February 16, 2022

Seth Edward Peterson was born April 2, 1978 in Holdrege, Nebraska to Dennis and Marilyn “Mary” (Ewald) Peterson. He grew up in Bertrand, Nebraska, where he attended Bertrand Community Schools and graduated from Bertrand Community High School in 1996. After high school, Seth attended Dana College where he earned his Bachelor’s Degree in Social Work in 2000. Growing up, Seth was responsible for helping on the farm, and enjoyed Sci-Fi, especially Star Trek, and playing Nintendo.

Seth married Angel Hamburger on September 6, 1998 at Bethany Lutheran Church in Elkhorn, Nebraska, and to this union, three children were born: Jana, Gage, and Ava “Arlo”. The family made their home in the Elkhorn/Omaha area.

Seth was a hard worker, and in addition to helping on the farm through the years, he worked at The Mix, Maximus with the State of Nebraska, and for the past 20 years as a customer service manager with Marriott International. He was also active at Bethany Lutheran Church, volunteering for various activities, going on mission trips, and even playing Joseph in the church’s nativity play. Seth seemed to always find time to volunteer; and even in death he is still giving, as he is an organ and tissue donor.

Seth was an avid reader, and if he wasn’t reading something new, he may be rereading one of his favorite books. He enjoyed playing Monopoly and dominoes, and was a fan of watching the Marvel movies with the kids. He cherished his family, and was proud of every moment with all of them; from

the birth of the kids to Jana and Gage's graduations and Arlo's creativity, especially watching her dance, his sister's wedding, and his siblings' graduations, he was there for them all. Seth meant so much to so many. He was Papa P, even Santa Seth. The family wants you to know and remember that Seth is their heart, and their Iron Man, and they are proud to have shared him with everyone. Seth, I love you 3000, and thank you for being the "Happy" in our lives.

Seth passed away unexpectedly on Wednesday, February 16, 2022 at Methodist Women's Hospital in Omaha, Nebraska at the age of 43 years, 10 months, and 14 days. He was preceded in death by his mother Marilyn and grandparents Harold and Betty Peterson and James and Helen Ewald. Seth is survived by his wife Angel, and children: Jana, Gage, and Arlo; his father Dennis of Bertrand, NE, siblings: Jillian and Jacob Beard of Osage Beach, MO, Nathan of Bertrand, NE, and Lucas of Lincoln, NE; nephew and niece Henry and Jean Beard; uncles: David of Bellevue, NE, and John Paul Peterson of Central City, NE; parents-in-law Pamela and Robert Hamburger of Omaha, and brother-in-law Garin and Molly Hamburger, and their children Lilly and Fynley of Lithia, FL.

“ In the years I was blessed to have him as a manager at the Marriott CEC in Omaha, Seth was my best support. He was a teacher, a friend, and most of all, 'a good dude.' He put up with my complaints, laughed at some of my jokes, shared his knowledge, shared his love of movies and TV shows (especially Marvel related), and never failed to be available even on his days off. He would say "Feel free to text me if there's a question you can't answer" on his days off and, even though I often felt guilty having to do so, I just as often needed to.

He did not need to share or declare the love he had for his wife and family - it was evident just from how he spoke about them.

Today's service (now yesterday's, but I work late, as he did) was further illuminating in what a deeply kind man he was. It helped temper my sorrow as I realized that, while he is gone too soon, he lived and loved, and was loved, far more fully than many who lived to twice his age. A celebration of life, indeed.

“ I've been with Marriott 23 years. I saw Seth grow and succeed at Marriott. Eventually he became one of the two managers over my department. I pride myself on my "Marriott Knowledge", but Seth was my "go-to" when I didn't have the answer. I talked to him early Tuesday night, before I ended my workday. His days in our Training Department made him more of a teacher. And I can't believe I'll never get another email from him. But his past emails of procedural stuff will be used for the foreseeable future. My condolences to his family. But please know that he made an impact on others that's immeasurable.

“ Seth was one of the first people I met when I started at Marriott. He was not only an inspiration but an aspiration. We all wanted to be as good with the guests as he was and everyone wanted him on their team. His patience and understanding was amazing. It was fun to listen to him talk to customers. His ability to listen and to stay in control of the conversation was iconic. He often spoke of his family and how proud of all of you he was. He wanted to work hard, to eat an example and make you proud of him. You should be so proud! He loved you very much. Seth will be missed by so many people. Your family is in our thoughts and prayers.
