“ *I may not have gotten to really know Shane, but I wish I could have. Dad always told us great stories about him. I have only a few memories of when he lived with us, but they were all great stories. I may only be Shane's half sister but he will always be my big brother. He was taken too soon from our family and I know we all are going to miss him a lot. We love you Shane and may you at last rest in peace. I know God will take good care of you. You will always be in my heart.*

*Love Always Your Little Sister,*
