“ Jim & Sue, Carl & I would like to say how sorry we are for your loss. No matter how prepared we think we are, we find it isn't any easier. She is at her eternal home now and no longer in pain. We send our prayers and condolences to you..

“ I will miss her quick smile and her sharp wit! She enjoyed life and she knew that at the end of life here on earth that the Lord was waiting for her. She was ready whenever He was. We had many good conversations & she had such great memories of family & friends. God Bless each of you & know she is smiling down on us. In His Love...Judy

“ Mary & I just wanted to say how sorry we are to hear about Shirley. We always enjoyed getting together with Harry & Shirley when they made it back to Duluth together, and Shirley they last years. We will miss her. We had some fun times and there are plenty of good memories. Take care.

“ I am sorry to read of your loss. Many have lost loved ones and want to see them again. The Bible actually shares a hope found at John 5:28, 29 which says, "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life, those who practiced vile things to a resurrection of judgment." Those who have died will be able to live again! May this be of some encouragement.
