“ We were so fortunate to have met Signe and Ron just a few years ago and to have spent so many great times adventuring together. Signe was the sweetest soul and one of the happiest people we've ever known. We will miss her so much but will keep her spirit alive in our hearts. We love you Signe. See you again my friend. XO

“ It saddens my heart to think you will not be around to brighten everyone's day. I've only know you for a few years but immediately knew you were one of the good ones.

“ I had the pleasure of knowing Signe for many years starting at Samuelson Elementary School through Hoover High School. After graduating we continued our friendship working together and enjoying a wonderful trip to Hawaii. She always wore that beautiful smile and was such a joy to know. I will be forever grateful for our memories. She will be greatly missed.

“ To the family of Signe-I extend my deepest sympathy to all of you. I'm so sorry for your loss. I'm Trina's Aunt from Wisc. so have gotten to know Justin over the years. I have to say Trina is so lucky to have found such a wonderful husband & daughter-Braylin. I know how hard it is to lose a close family member & now to have lost two. My thoughts and prayers go out to you. Love Aunt Pat

“ We are so saddened by the loss of Signe. She was the best neighbor anyone could ask for. We will miss our over the fence chats and all the laughs we had with our occasional late night get togethers. Our condolences to the entire family. Jeff and Theresa Dinslage

“ I'm proud to call Signe my sister as well as dear friend. She has been so warm, loving, forgiving, and spiritual throughout our lives. Signe's sweet face has always greeted me with a smile. Our conversations have been filled with laughter. The last meal we shared together, we were laughing so much, our waitress teased us that alcohol must have snuck into our virgin margaritas. I will share a photo of that day last October. God bless everyone who knew and loved Signe. My mother, my two brothers and I will miss her every day until we pass and can see her again. May God comfort Ron, the "kids" and grandkids, plus all my nieces and nephews.

“ *Knowing Signe has been a blessing for us. We loved laughing, playing cards and games, sharing a table with and sitting in their wonderful backyard. We watched our children grow into adulthood and loved becoming grandparents together. Our hearts are broken for Signe’s family who had to say goodbye to their amazing wife, mother and grandmother. We know that heaven awaited Signe and that God calls her by name. Her name is written in the book of life. We will miss Signe for the rest of our lives until we meet again in heaven.*

“ *Signe was a blessing to me. Her friendship was genuine, her company adored. I will miss our having tea, going on side by side adventures, watching softball games, dinner get togethers, listening to music, going to dances, pottery making, great conversations and more. Though I only knew Signe 2.5 years, I am deeply saddened by the passing. I will miss Signe dearly.*
