“ *The obituary says that Steve was an intelligent, caring and helpful man. That is certainly the Steve Mrsny I remember. Steve and his brothers and his parents were certainly a blessing in my life. Steve was a great friend and role model. I also remember one heck of a saxophone player from stage band. You are missed dear friend.*

“ I grew up with Steve and the Mrsny family out at Riverside Lakes. My family lived about 4 houses down the street. As of the 6th grade at Waterloo we were great friends and shared most of our school years. He was like a brother to me. Fishing trips to Canada, Boy Scouts, waterskiing, playing hockey at the lake, working on cars, playing in band, basketball, track, golf, life. We shared it all. Steve was a loyal friend and one of the kindest hearted people I ever knew. We grew apart in recent years but I am very sad at his loss and will miss him very much. My heart goes out to his family and they are in my thoughts and prayers.

“ Steve always had a smile on his face and laughter in his voice. We were lucky to get to spend time when we were all young, both at the lake, but especially in Canada. Goofy, awkward, yet such great memories! Rest in peace Steve.
