“ *Much is made of the 'bucket list' of things yet to be done. We treasure our 'bucket list' of memories of things already accomplished, and Sandy, the memories of the trip we took to Orlando with Mick, Ellen, Steve, and you are in that bucket. Horrible blizzard when we left with just a few hours to pack, and a frozen vehicle when we returned, but what a great time we had while there! Please know your family and you are in our thoughts.*

“ Sandy, Jeff & Kim: Was so sorry to hear of Steve's passing. Judy Lumbard called to let his Aunt Opal know and then called me. It is so hard to let our loved ones go but also so difficult to watch them suffer. Know the thoughts of the Alliance family are with you and our prayers will be with you through this time. Always loved his laugh - so much like his mom's. Suzi

“Sandy, Jeff, and Kim, our deepest sympathies go with you for the loss of a dear husband, father, grandfather, and friend. Steve was Marilyn's and my first principal, and he spoiled both of us for all the others, in spite of how good they may have been. Even though we only spent four years in Nebraska, they remain some of the fondest times of our lives. Steve was a true educator, but more than that, he was a good man. We have all lost a kind soul. Your friends forever,  
John & Marilyn Van Ausdall.
