“ *To Susan's family, I am so sorry for your loss. Susan was a classmate of mine at Corning Community High school. I remember her as a friendly person and a bright student. It seems she has lived her life well in service to her family and the community. What a wonderful example.*

“ Tim and Barb,
I learned of your Mom's passing this evening. I only heard Tim's message this evening. I was a friend of you Mom's since we were in Nursing School. We joked about how I never could find my messages on my phone.
I am so sorry for your loss. Know that she loved you all so much. She spoke so often about you. You and your children were the light of her life.
We had some great talks in the last few years. I will miss my friend greatly.
