“ *Suzi was my cousin. When we were younger, there wasn't a holiday that we didn't all celebrate together with the "Petersen" side of the family. Suzi was always there, and even though we weren't close in the last years, her passing leaves a big hole in my heart, because she was such a big part of the holiday get togethers, and those gettogethers are among my favorite memories. My heart goes out to her sons, Remember that God's arms are wrapped around you during this difficult time.*

“ Chris & Robbie - my sympathy to you and your family. Suzy was a wonderful, cheery person who always had a smile. My sister and I used to babysit for you when you were just babies and young boys. My prayers are with you during this time of sorrow.
