“ Norm, I have so many lovely memories of your time in Granite Falls connected to my mom, Wilda. She thought so much of both of you and we appreciated your friendship with our family. I recall mom taking care of Christopher when he was a baby (cowlick?) and how mom always supported all you two did for the church. I wish you love and support from all those who love you, and wonderful memories of your life - all our love to you, your children and their families.

“ Sybil walked me through my first encounter of caring for someone experiencing homelessness. I wept as I watched Sybil brush the matted clumps of our guest's hair, helped her wash up in a church bathroom sink. Clothed her in clean clothes. Sybil changed my life, which changed my husband's life, which changed our marital mission, which changed hundreds of people's lives over the last 40 years. Our thoughts and prayers are with Norm, Chris, Sarah and all the family and friends that will miss her horribly. Rest now Sybil and ... “Well done, you good and faithful servant”.

“ Sybil taught school, where I was the principal, about twenty years ago. Although I don't remember the grade she taught, I do remember that she was dedicated to her job and she always put her students first. She had a beautiful spirit and a calm and quiet demeanor. I will always remember her fondly with a smile. Please accept my sincere sympathy. I know she will be greatly missed by all who knew her. Blessings... Carol Wilson, Vero Beach, FL

“ *We were good fiends with her when she lived in Fremont. Norm, Sybil & the McGees & the Mitchells used to socialize. The thing I Especially liked about Sybil was she could be a little naughty ( in a nice way). If you know me you will know that is right up my alley.. We are so sorry she is gone but happy she is in no more pain.*
