“ *Miss Debbie and family: at last Tera Lynn is in a better place, out of pain and misery. It is never easy to lose a loved one. We who are left must remember the good times, the laughter, and even the sorrow in order to handle our grief. My mantra has been: Keep Calm and Carry On. So far, so good. Love you, Marge Shoemaker*

“ Oh Tera Lynn! You are one of the most FUN people I've ever had the pleasure to meet. I remember when Deb Smith (Plucknett), you and I went on our graduation trip to Colorado in my 1964 green panel van (Lumpy). That was so fun the only other thing I keep thinking of is when you were the ONLY ONE to ride the mechanical bull at that bar in the Power and Light District in KC many years later. Why? Because you lived life and took it by storm. God bless you, our friend, a fellow peep!
