“ *When a loved one dies, it causes us so much sorrow. One can tell that Terri Brixius was very dearly loved. It is my hope as a volunteer to bring to the family a comforting thought. In the Bible book of John 11:11,14, Jesus likens death to sleep. Thinking of our loved ones as in a deep sleep can bring us peace of mind and heart. Further words of Jesus point to a happy future for our loved ones. He says at John 5:28,29: "Do not marvel at this, because all those in the memorial tombs will hear his voice and come out..." What a wonderful promise and sure future for those asleep in death. We wish to express our deepest sympathy and hope you find comfort in this time of loss.*

“ My husband, Norm, and I did not know Terri, only through Tim & Mary Seeley, our son-in-law and daughter. Mary would always tell me how delighted she was every time Terri gave her and Tim a little craft she made for them. She would say, "Mom, you should meet Terri, she's so nice--you'd like her." Mary always felt a warmness when she spoke of Terri and how kind Terri was to her. This meant alot to Mary. What greater life to have lived than to be known as a "kind and giving" person. Our prayers and thoughts are with your family.
