“ *I worked with Terry for several years at the Papillion Creek Wastewater Treatment Plant. I will always remember how he talked about his kids a lot. He was great to work with. I was so sorry to hear about his passing. My thoughts and prayers to all his family.*

“ *Terry Glenn was a unique guy, always a youthful memory from way back when our kids were all little. My love and sympathy to his fine son Gabriel, who sees a world full of light and beauty. Wishing Gabe memories of his Dad always filled with light.*
