“ *praying God's comfort on this 1st anniversary of Terry's passing. Psalm 138:8 a the Lord will fulfill His purpose for Pauletteâ€¦.I know it still doesn't seem real. Hugs*

“ *Paulette, You might not remember me, but my daughter Hailey is a good friend of Sydney's and I spend alot of time with Nikki and Gregg - they are wonderful friends to me too. They are GREAT people and parents and that is a direct result from the wonderful family life and support you and Terry afforded your family. Family values aren't easily learned, but they are emulated. I know that Gregg and Terry had a special relationship and one of my favorite stories was the "meat wheel." I can't tell you how excited he was to have Terry make this for him and to tell everyone in Vermillion all about it and how it worked. Please know that many of us here in SD will remember Terry very fondly and will hold you up in prayer as you miss your partner, friend and husband. May God bless you and give you peace.*

“ Paulette and family, Roger and I were so sorry to hear about Terry. We still think of you often. We all had so much fun when the boys lived together, and played football. Roger and I were so glad Joe had such a great bunch of guys to go to college with. We enjoyed all of you parents so much. Miss all those days. We will keep you all in our hearts and prayers. With sympathy and much love. Roger and Carol Wahlgren.
