“ *Rita,*

I was sorry to read of Ted's death. I always have a good feeling when I see the picture of Ted, you and my folks in Las Vegas. They always said that they had such a good time traveling on the train with you to Vegas and the fun you shared. Our deepest sympathy to you and the rest of your family. Bill & Trish Farrar

“ Uncle Ted you are going to be missed but we will all have our wonderful memories of you and all the fun you brought to our Family.
I personally remember all the fun Christmas Eves. at your house with you and Aunt Rita and the little skits you would put on with Brian. I remember how you loved the State Fair and you would always get me maps and brochures on all the activities going on! I remember coming to Valley to do Aunt Rita's hair and you would always bring home good food from the newest or best restaurant that had opened. You always had a smile and some current event to talk and laugh about! You lived life to the fullest and we all loved being there and enjoying it with you!
Rest in Peace Uncle Ted and Thanks for the Memories!
