“ *Sending my sympathies to the entire Sanders family at this most difficult time. Stub was a great friend to many in our Smith family. He came to visit us in Illinois many years ago. Loved his sense of humor, telling us Nebraska jokes. What an awesome guy!*

“ I've only been with USACE since Mid-Dec. 2015 and Tom would always stop to chat for a few minutes when he parked his cart to pick up and deliver the mail. We talked about baseball, vacations in Florida and family. He was the "ray of sunshine" in my day. My thoughts, prayers and deepest sympathy to all in your time of loss.

“ What a wonderful person. Folks always look forward when the "mailman" comes by, but with Tom coming around the building, he took that extra "mile" and engaged in meaningful conversations. You will be missed Tom.

“ Tom,

I did not hear of your passing until this morning as I was traveling for work last week. I still can't believe it, not you. I remember just talking to you on the elevator about how cool going to Alaska would be. Well it was really cool man! I didn't have the opportunity to know you for very long, but when you see someone every day at work the bond is a little stronger. It is comforting to know that you passed on in peace without pain. You will certainly be greatly missed, by myself and by your family here at the Corps.

My condolences to the Sanders family in this time of grief. I am truly sorry for you loss.

“ *We are so sad to hear that Tom is gone. I couldn't have asked for a better friend with so many good times and memories. Tom could have easily been a bitter negative person given the tough hand he was dealt, but he was the first one to see humor in things and cut loose with a big laugh. We will miss him badly, but he will never be forgotten*
