“ *Sad to hear of my cousin Tim's passing. Far too many years have passed, since we were together. Tim's family and mine were very close during our early years. Our families celebrated many holidays together. Tim and I bowled together in our teens, at the Sky Lanes in Omaha. He was a lot of fun to be with. Of course after our high school years, we went our different paths. I do cherish my childhood memories with Tim and his family.*

*To Sandy and family, my sincere condolences.*

“ Tim was truly one of the Good Guys! I graduated from high school with Tim and had the privilege of working with Tim in the insurance business for about five years.  
But my best times with Tim was when Tom Mruz and I went To Las Vegas for about nine years straight and we would always golf with Tim and visit with him at the sports book and at the time talking with Tim was like getting insider information. Tim's most valuable information on betting was always follow the points, so last night on the Heat/Nuggets game the points were moving upward on the Nuggets so in Tim's honor I bet the Nuggets and they won 109 to 94  
Thank you Tim!  
Sandy you are the best and you both complimented each other as a couple and I love you both.
