

Traci Christine Sheibal

December 19, 1974 - February 9, 2012

Traci Christine (Menard) Sheibal was born on December 19, 1974 in Omaha, Nebraska to Joe and Cindy (Peterson) Menard. She grew up in Yutan where she attended grade school and graduated from Yutan High School in 1993. Traci was active in band, jazz band and color guard, and participated in Cross Country. Even from a young age she loved working with and caring for children and animals. After high school, she worked for veterinary clinics, preparing to become a Veterinary Technician. She later worked at Marriott Reservations and recently as a technician with Omaha Refinishing. As an adult, Traci moved between Yutan and Omaha. Her most important career was always to be the most dedicated and exceptional mother for her children, and often provided care for children from other families as well.

Traci's favorite pastimes were playing cards with her friends, watching movies and playing games with her children, and talking to people. She truly had the "gift of gab" with everyone, whether in person, by phone or socializing on Facebook. Traci treasured every opportunity to gather with family and friends. She lit up a room with her sunny smile and infectious giggle.

No matter how many challenges she faced in life, she always found a way to help those who were less fortunate. Traci recognized the good in everyone. She didn't complain about the hand she'd been dealt, she tried to turn it into a winner.

Traci passed away suddenly on Thursday, February 9, 2012 while working in Council Bluffs, Iowa. She was preceded in death by grandparents Ben and

Marie Menard and Ron Peterson; Traci is survived by her children Richard Sheibal, III, Trevor "TJ" Sheibal, Abigail Rosloniec and Sarah Rosloniec all of Omaha; parents Joe and Cindy Menard of Yutan; brothers and sisters-in-law Joe and Maggie Menard and Jim and Liz Menard all of Omaha; grandparents John and Dolores DeBiak of Bentonville, Arkansas; 3 nieces and 2 nephews; many aunts, uncles and cousins.

Traci will be remembered most of all for her huge heart and readiness to forgive. Besides her family, there are a wealth of friends who will miss her dearly.

“ *I've discovered that there are no words to express the sorrow and sadness that I feel for your family. I have tried to come up with something to say to help take away the pain, but the only thing I can say is that I am truly sorry and that if you ever need to talk, I will listen. I love you all and I am sorry I can't be there to give you all a hug.*

“ Traci, you will be missed by many. My heart is broken thinking of you leaving us so early in your life. You were a great Mother to the children and for this you will be rewarded.

Am still speechless. Will not say goodbye, but will wait for the day we will be seeing each other again.
