“ *Dear Merle and Jeanette;
Randy and I are so very sorry for your loss of Tracy. We know she fought very hard and had the both of you to carry her through. We sometimes can't understand why things happen but believe she is in GOD's arms now and watching over you both. Words can't always comfort you at a time like this but I know you will both feel the love and support that your many friends are sending you. Our hearts and prayers are with you!*

*Love,

“ Dear Merle and Jeanette,
I was just thinking about Tracy the other day, wondering how she was, not knowing she was ill.
I just learned of Tracy's death, and both Jack and I are stunned and terribly saddened.
Tracy was such a huge part of our lives when our children were young. She helped us keep our sanities when she baby sat for John and Carolyn, giving us time to ourselves. Tracy and Carolyn formed such a tight bond when she nannied while I worked - I honestly don't know what I would have done without her help!
Your beautiful daughter will be forever in our thoughts and prayers, as will you.

With our deepest sympathies,
Susan and Jack McMannama

“ We are so saddened to hear of Tracy's passing. She always brought joy and laughter to us -- and all the people she met. We know that she is now at peace and free from all worries and pain -- and we pray that you will be comforted by family and friends during this difficult time. Much love, Declan and Ron

“ *Merle & Jeanette - Our hearts go out to you both at this time of sorrow in your lives. We know first hand what it is like to care for a loved one and know or find that you have to let them go as God is always in control and not us. While you are no longer able to physically hold your Tracy or be with her, we believe she IS in loving arms. If there is anything we can do for you, please let us.
Love from friends, John & Beth*
