“ *So very saddened by this news! Travis was ALWAYS so very kind, considerate, respectful and would give you the shirt off his back.. There's just not enough wonderful words which could express and describe the person he was! Travis made others better for knowing and being around him. He certainly made me want to be a better person each and every day! Sincerest thoughts, prayers and love to your family my friend. I know you are smiling down on us all...*

“ *Damn. I'm really sad to hear this. Travis was a friend from school. I remembering getting to grade his paper in one class all the time because no one else could read his handwriting lol. His laugh was always infectious. I know he was he was with us long than often expected, but this is still too soon. Love and hugs to the family. - Lori Preuss (Watkins), Platteview Alumni*

“ *Family was everything to Travis. That was so apparent in the way he talked you and the kids at work. That is what made him truly happy. He was so proud of his family. In this difficult time, I hope you can take some comfort in how much laughter, love, and joy you guys brought to his life. I could not think of Travis without thinking of his family. Love and hugs to you, his precious family.*
