“ *My thoughts and prayers to Trudy's family and friends. We worked together in Denver before she moved back to Nebraska and kept in touch. She was such a sweet, thoughtful and fun woman. I felt blessed that she trusted me enough to let me adopt her dog before she moved away. I think of her often and kept her informed of his status these past few years. Before she moved we went to see Lannie Garrett do her Patsy DeCline show downtown Denver . We laughed so much and talked for hours getting to know each other. Our friendship had its start. I remember her coming back for vacation and enjoying the simple things like shoe shopping , going to the zoo and trying a variety of Mexican restaurants ( that girl loved Mexican food ) . Another fond memory is taking a vacation together a few years ago back to Wisconsin. she traveled with my niece and me to a small town in Wisconsin to see my husband and his friends play for a class reunion. a simple vacation but we had a great time. Grateful for the memories, the friendship and the time we did have together. RIP my beautiful friend.*
