“ *Sorry to hear about your mother's passing. It's always hard no matter what their age. I'm sorry that I'm unable to attend the service but just can't get away. My prayers are with you.*

“ *So sorry & so surprised to hear of Valera's passing. Bournes sent us an email otherwise we would not have known. Our thoughts and prayers are with you. We have been there & no matter how old you are, it still feels as if you are an orphan. We will, hopefully, see you when we return.*
