“ *Dearest Friend Jo, I wish I could be there with you today. You have been the daughter any mother would have wished for, and Dolly was so very proud of you, your accomplishments, and your loving and giving heart. You were fortunate to have such a wonderful mother and role model in your life. Like you, Dolly always put the needs of others before her own. While no comfort can replace your loss, I look forward to spending moments and hours and days with you reminiscing about the good old days we had with your mom, and my friend, Dolly. Please pass my condolences on to Dale, Justin and Sandy, as well the entire family. Hugs, Karen*

“ *Billy, Betsy, and Chris Fay,*  
*I am sorry for your loss of your mother. We all go back a long, long way together; I think of you guys as part of my family and I hurt, knowing you are hurt by the loss of one so dearly loved. You guys all are in my prayers, that you may find a bit comfort in the following message.*

*"Our Father which art in heaven, Hallowed be thy name. Thy Kingdom come. Thy will be done in earth, as it is in heaven. Give us this day our daily bread. And forgive us our debts, as we forgive our debtors. And lead us not into temptation, but deliver us from evil: For thine is the Kingdom, and the power, and the glory, forever. Amen". Matthew 6:9-13*

*"Jesus said unto her, I am the resurrection, and the life: those that believeth in me though they were dead, yet shall live; and whosoever liveth and believeth in me shall never die". John 11:25-26 "Let not your heart be troubled: you believe in God, believe also in me. In my Father's house are many mansions: if it were not so, I would have told you. And if I go and prepare a place for you, I will come again and receive you unto myself; that where I am, there you may be also". John 14:1-3*

*Thinking and praying that you all find peace during this time of sorrow. I truly wish I could do more.*  
*Your Friend and Brother in Christ,*  
*Jack Fleck*
