“ *I had the pleasure of working very briefly with Vicki in Tucson, Arizona. She touched the lives of many patients and co-workers alike. May she rest in peace. My prayers for her family as they cope with such a great loss of life. Eva Koll, Travel Nurse from Texas.*

“ *Vickie was a true hero to me. The way she lived her life going through the chemo and yet still working and maintaining her family life was unbelievable. She told me once the reason why she worked with oncology patients was so she wouldn't feel sorry for herself. That was Vickie! Always thinking of others. I am proud to call her sis with no in-law attached. I will miss you but you will forever be in my heart. Godspeed Vickie. You touched more people than you ever knew. God Bless You! Love ya Sis*
