“ To The Family:

My name is Annette. I would like to express my deepest sympathy to each of you.

We are not familiar with one another, We are however familiar with the pain that occurs when enemy death strikes.

When our Heavenly Father created the first man and woman death was optional.

As long as they were obedient to Him they had the choice to live forever. Only by disobeying would death occur.

From the Genesis account we read that they chose the latter. And for this reason is why we have to shed tears of sorrow. (Romans 5:12)

God's purpose for us to live forever has not changed for he promises us (1) that all those in the memorial tombs (graves) will hear his voice and come out and (2) he will wipe away the tears of sorrow from our eyes forever and death will be no more. (Revelation 21:3-5)

Although the pain you are feeling are not remove I hope that knowing that our Creator cares about us and will undo the ill-effects that we suffer will be of comfort to you.
