“ *Brother Virg always had a smile on his face and a kind word when we would see him. Most of the time it was before a board meeting at Deaf Missions and I he didn't see us before it started he would often look for us when they took a break. He always had great words of encouragement. When we did some business with him concerning some coins we never worried about the deals---we always knew he would do his best---and then some! We're praying for the family and all who are feeling the impact of his death. We are glad that we know he is with Jesus and we will see him again. Debbie and Vicki

“ *Virgil and I became good friends in 1960. When we returned to Wymore 40 years after we left our friendship was as if we had never left town. Some of my greatest memories would be in singing together with the Gospel 4 quartet and serving in leadership with him in the ministry of the church. My saddest memory would be the day the home was emptied and Virgil was moved to a home where they could better provide for him. There is no doubt in my mind that I will see him in heaven someday.*
