“ *My condolences Patty and family on your loss.*

I was fortunate to have been able to work with Virgil on numerous projects and appreciate his incredible skill set.

Blessed to be able to call him a dear friend!

Will miss our lunches and the prayers we shared!

God Bless Virgil!

“ *I used to help Virgil with electrical engineering design on some of his projects.
Virgil was a great architect and a great person to work with. The community will surly miss this man.
