“ *My deepest sympathy to Vonda's family and friends. My dad was her Uncle Pat (Otto). Since Vonda lived in OH, and we in PA, I really didn't get to know her well, but once a year, at the reunion, was always a fun time. Then the reunions ceased, but the memories lasted. I always loved her name! So until our next reunion Vonda, RIP. May God comfort your family and those who loved you.*

“ *Vonda was my big cousin. I admired and looked up to her in my youngest years from 1yr to 5 years when she would spend a week with us every summer. It was a short span out of an entire lifetime, but enough time for her to make a difference in my life. With fond memories I send heartfelt condolences to all my cousins, Vonda's brothers and sisters, and to all who love her because she made a difference in your lives too.*
