“ *Linda...I am so sorry to hear about your sweet mom. I was on a break at work tonight and happened to read the paper that was in front of me. I was completely shocked to read your mom's name. I feel just horrible that I missed the service this afternoon. Even though I knew your mom for just a sliver of time, I feel blessed to have known her. And how lucky she was to have you. Please know that you and Beth are in my thoughts and prayers. Your friend, Kris*

“ *Linda and Beth, I have so many fond memories of you and your parents, I wish I could of been there today but I just found out at 4:45 today about your mom and today was the funeral. Your mom and dad were very special people in my life as a child and young adult, I could not of had any better neighbors than them. I would of loved sharing the rest of my years with them. I'm a mother of 4 children, and grandmother of 5 children, I've been married to Don for 33yrs and we been living in Wahoo, NE for 15 years now. I would love to know about you girls. Love Always Glenice Your parents will always have a special place in my heart!*
