“ *I've known Jerry as long as I can remember. My family and the Olson family have been friends for longer than that. My first memory of Wally was when Carole and Wally would attend NU football games with my parents back in the late 60s. My initial impression of Wally was that he was just a fun guy to be around.*

Carole and Wally always made me feel welcome when I would spend time with Jerry at their house... they both are special people....

Wally was a SUPER guy!!!

Susie, I and the Sader family send our condolences to Carole, Jerry, Jeannie, Deb, Linda and Wally's extended family!
