“ *Aunt Wanda was a great conversationalist, she would just keep asking questions and put people at ease so they felt like they knew her for ever.*

She once told me that my mom who of course was Uncle Dick's sister was a God send to her. When she and Dick first got married she didn't know a lot about keeping house and cooking and she said my mom was kind of a mentor to her. This was after my mom passed in 2013. That really blessed me.
