“ *I was shocked and truly saddened to hear of Willard's passing. The world seems emptier and a bit less fun without him. He was my cousin, 1 1/2 year older, that I looked up to as a kid and I spent some exciting times riding with him on his scooter on gravel roads and, later, before I had my license, in his souped-up '59 Ford going a lot faster than we should have been. I never laughed harder than when I was with Willard at family reunions. He was named after my Dad, Willard Claussen.*

My thoughts and condolences are with his family at this time. Please take comfort in the thought that if anyone has a pipeline into Heaven, it would be Willard.

“ So many fond memories with Willard and Sharon surrounding basketball. Especially enjoyed carpooling to away games. On the ride home after thoroughly dissecting the game, we also managed to solve some world problems! He ALWAYS made us smile and laugh. I remember being in Bellevue at an all-star tourney that Ward and Kelly were playing in. We had a long break between games, so we decided to play a quick nine holes of golf because it was beautiful Spring day. Had a great conversation about family. I can assure you, a man could not be more proud of his family than Willard was about his family.

I was always amazed by the closeness of the Behlen family. It seems like Shannon, Wade, and Stacy and their families were at every game that Ward had. Always very supportive and easy to laugh and smile. Willard and Sharon created a beautiful family, what greater achievement could a person have in life?

Over the years we have lost touch, but we want to express how much we enjoyed those times, and feel blessed to have spent time together. Just watched the beautiful service on-line, a truly great testament to a good man. May God bless all of you, and help you in the difficult days ahead. May your many fond memories help ease your pain.

“ I was saddened to hear of Willard's passing. He was instrumental in teaching me to be unafraid of not compromising God's word while teaching. He always told me to be bold and if someone had an issue with God's word they needed to take to God.

You all have our Prayers during this time. I pray God's peace and comfort on each of you, I pray that He wraps you in his arms and draws you close. Those of you who know me, I love and miss you very much. Those of you who don't know me, know this, I am praying for you all.

God's peace

“ *I will miss Willard. I have many great memories of him from playing basketball to the ongoing humor we shared whenever I had the chance to speak to him. He will be with you always. He always told me when I was shooting, “whether you think the ball is going in or not, act like it’s going in.” I think about that often, true in life too.*

“ I’m Russ Mohrman I was the High tenor . I will be 66 on January 8 ,2021 Willard’s Funeral Day however unfortunately I regrettably will not able to attend the funeral. But for sure i’ll be there in spirit and I wish to extend my Families deepest sympathies to all the Immediate family members. We appreciate what Willard did at HIS Bible study. He help Change our Lives . I think God that I Got to serve with Him in the H.I.S (He Is Savior *Acts 4:12) Simple Truth Quartet for the many years together.

I’ll always remember The first words from Brother Willard preached at every Concert:

“*: (Speaking of the Lord Jesus Christ was :)

“Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved.” [Act 4:12]

Continuing:

About a month ago the last words Willard shared with me with these: “ All I know is that no matter what, Jesus is all I will ever need. it’s His plan not mine. His finished work not mine. His grace that I don’t deserve but He freely gives unconditionally to me it’s His power and grace to me not mine to Him.”

And to that I say Amen!
