“ *My sincere condolences to Bill's family.*

When I was a youngster I met Bill at the Elk City pub where I was with my parents. I was very interested in hunting. Bill invited me out to the farm to go hunting. Every time I came out I'd talk to Bill and he'd try to put me on the birds. He was so nice to me and very cheerful and helpful. Bill was truly a nice guy!!

“ Just wanted to express my sympathy to the entire family in Bills passing. He and Virginia were the finest individuals anyone could ever have had the pleasure knowing. Bill and I (and Herman) worked together for many years and I have very fond memories of those times. I even remember changing a few of their children's diapers. As hard as it is, Bill is in a better place now and probably having a beer with a few friends already. Gone but not forgotten, we will meet again someday.

“ What a great family, I really enjoyed all the times we spent together as kids and growing up with such caring friends. Your family has many special memories in my heart, may God keep you in his loving arms today and always. Sorry the weather is keeping us from being with you today but know we all love you and will keep many fond memories of your family with us forever.
